**NET DONATION 50% \$ 537.18**

Notes:

This report includes all download reports received from Channels and Carriers up to and including to the 31.12.07 that have reported sales.

Download reports received after this date will be included within the next downloads report.

Download reports received after the cut-off date for the prior months report sent to you have been included within this report.

Many download revenue amounts are subject to movement in foreign exchange rates.

This download exchange rate is the rate received by Blue Pie from Westpac on date of settlement.

Final revenue amounts will only be certain once the channels have remitted the download monies to BPP and will be stated in LPR.

Payment of the final download revenues will be made to you once BPP has received the download revenues.
